

## General Information

On the left side of the District home page you'll find a link specifically for **Parents**. Under this category are several links designed to keep you informed on the happenings of several parent-ran organizations at LCISD, including athletic and band booster clubs, campus advisory committees, and other parent associations. The organization sites will provide membership and meeting information, along with activities planned for each group. We encourage you to take advantage of these resources and play an active role as a parent of a Lubbock-Cooper student!

An easy way to access various Lubbock-Cooper departments is through the **Departments** link at the top of the District home page. Here you'll find a breakdown of each LCISD department, along with information about and from that department, and a listing of the employees working in that department, along with their contact information. These links are kept up-to-date and can be very helpful and informative in learning the ins and outs of the district.

Information regarding district employment and opportunities can be found under the **Human Resources** link at the top of the District home page, where applications, requirements, and other career-oriented links are made available to the public.

The LCISD website provides an online photos gallery with constantly updated pictures and information about students' latest events and achievements. You will find the **Photo Gallery** located on the far right side of the top links on the District home page. Events will be listed in chronological order, and will be archived until the end of the school year. Please feel free to take these pictures for your own use, they are there for the entire community to enjoy.

In the event that you would like to see the district website in a **different language**, there are several language options available at the very bottom of the district front page, in the form of national flags. Simply choose the flag of the nation with the language you would like to view.

To print out a page on the website, scroll to the bottom to the "**View Printer Friendly Page**" link. Upon clicking on the

link, you will be given the option of viewing the page in landscape or portrait style. After choosing one, you will be directed to a printable version of the page that you were previously at.

The screenshot shows the website header with the district name and slogan. Below the header is a navigation bar with links to Home, Calendars, Departments, Human Resources, and Picture Gallery. A left sidebar contains a menu with categories like About LCISD/Contact, Campuses, Parent Links, Booster Clubs, Campus Advisory Committee, and CEPA Cooper Elementary Parent Association. A central dropdown menu for 'Departments' lists various school services. The main content area features the district logo, contact information for Superintendent Pat Henderson and Chief Financial Officer Betsy Taylor, and a list of staff members. At the bottom, there are links for Privacy Policy, a 'View "printer-friendly" page' link, an 'Increase font size' link, and a language selection menu with flags for Japanese, Korean, French, German, Italian, and Spanish. The footer includes a copyright notice for SchoolFusion.com.
